THE **R** SERIES
RATED **R** for ROXANNE
An **UNINVITED**
Conversation

By
*Camille St. Charles
Mississippi*

Camille is a transplant make-up artist from Sacramento, California. Now nestled inside of irresistible Detroit, Michigan, she's found another part of her purpose in life as an author. It took patience and time for her to find the voice now weaving its way through all of the characters of her rather sorted and funny tales of The R Series: Rated R for Roxanne. Camille listened to the voice that told her to write what was stirring inside, excitedly growing, and soon bubbling to be released. Now she prides herself as a sweet-talking lady who enjoys dreaming up charming and sexy stories from her first book The R Series: Rated R for Roxanne *Bring Your Boots!* and again in her latest series addition *An Uninvited Conversation*. Allow Ms. Camille St. Charles Mississippi to reach out and become one of your favorite authors as she transports you to the world of Roxanne!
